

- For accessing data in ProwessIQ, users need to download ProwessIQ setup .exe file (latest version) from the website prowessiq.cmie.com and install it. Once installed, it can be accessed from anywhere within the IP range of the institute, using username and password.
- Please note: use the same credentials as you have registered for other CMIE products e.g. Prowessdx and Tradexdx database.

Ex: How to download total income and total expenses data annually for all listed companies?
