

Steps: Go to <http://library.iimb.ac.in/library> → Click on “C” from Electronic Databases A to Z → Click on CEIC to access the same. If you want to access remotely, kindly use your remote access credentials and follow the same steps.

Database Coverage:

- World Trend Plus
- Global Database
- Indian Premium Database
- Daily Database

Ex: How to download Month-wise inflation data for India for the period 2014 to 2018.

The screenshot shows the CEIC website interface. The left sidebar lists various databases, with 'India Premium Database' expanded to show 'Inflation' and its sub-categories. A callout bubble points to the 'India Premium Database' link in the sidebar, with the text 'Click on India Premium database'. Another callout bubble points to the 'Table' icon in the main content area, with the text 'Select all tables under inflation'. The main content area displays a message: 'There is not enough space to display the visual in the Autofit mode. Enable Web mode'. The top navigation bar includes 'Chart', 'Download', and user profile icons.

Click on India Premium database

Select all tables under inflation

Table

There is not enough space to display the visual in the Autofit mode. Enable Web mode

Step-2

The screenshot shows the 'Download: Search Results (2058 series)' dialog box in the CEIC application. The dialog is divided into several sections:

- Format:** A row of icons for different file formats: XLS (selected), CSV, HTML, PDF, and JSON.
- Timeframe:** A section with 'All', 'Range', and 'Sample' options. The 'Range' option is selected, and the date range is set to '2014-01-01' to '2018-07-31'.
- Data placement:** Options for 'Orientation' (Columns selected, Rows), 'Adjust columns' (No selected, Wrap text), 'Date order' (Ascending selected, Descending), 'Date format' (Automatic, 08/2018), and 'Decimal places' (3, 1234.568).
- Output series details:** A section with a dropdown menu set to 'Filter out dates with no observations', a checkbox for 'Create a chart with series', and checked options for 'Show series details in Bold' and 'Show date column'. There is also an 'Add function' button.
- Buttons:** At the bottom, there are buttons for 'Always ask me about the export settings' (checked), 'Reset', 'Cancel', 'Copy to Clipboard', and 'Download'.

Three callouts provide instructions:

- 1-Select range last 5 years:** Points to the date range '2014-01-01' to '2018-07-31'.
- 2-Select download format:** Points to the 'XLS' format icon.
- 3-Click on to download file:** Points to the 'Download' button.
